Disclaimer

To the best of our knowledge, the information contained herein is accurate and reliable as of the date of publication; however, we do not assume any liability whatsoever for the accuracy and completeness of the above information. Gadiv Petrochemical Industries Ltd. makes no warranties which extend beyond the description contained herein. Any information given in this statement does not constitute any warranty of merchantability or fitness for a particular use. It is the customers' responsibility to inspect and to test our products in order to satisfy themselves as to the suitability of the products to their particular purpose.

It is the customer's responsibility to check the relevant product data sheets and respective MSDS periodically at Gadiv Petrochemical Industries Ltd. website (www.gadiv.com) in order to follow any possible change before any execution of an order.

The customers are responsible for the appropriate, safe and legal use, processing and handling of our products. The information contained herein relates to our materials when not used in conjunction with any third party materials. Gadiv Petrochemical Ltd will not accept any liability with respect to the use of its products in conjunction with other materials. Without derogating from the above, the standards and the analysis methods (if an analysis method is mentioned above) which the above statement refers to, are only those which are expressly mentioned in the above statement and no other standards and/or analysis method should be implied in any way from the above information. This certificate will not derogate in any way from the limitation of liability under the contract between the customer and our company.
